RE: Revocation of Voter Registration

To the man, James Robert Doe, acting as Minnesota Secretary of State:

You will please take notice that I recently discovered that man was given dominion over all the earth and thereby is sovereign. All sovereigns are kings and thereby do not need to vote. I, the peaceable, living and spiritual man, known to the public as John Henry Doe, being of age, of sound mind and in good health, endowed by God with unalienable and natural rights, hereby give you notice to please remove my name John Henry Doe and any derivatives thereof from the voter roll of Minnesota State and all and any franchises thereof. Furthermore, I revoke my voter registration and rescind my signature from and declare void any and all forms, documents, cards and instruments in connection with my voter registration. My consent is hereby expressly withdrawn and reserved until further notice. Please notify any and all interested parties of the matter herein. No answer to this writ is required, but acknowledgment of compliance would be appreciated.

Sincerely,
